Preachers Rock Open Air Service

Please join us for the joint churches open air services at 4pm on every Sunday in August, usually at Preachers Rock. (Sunday 12th will be held in our car park.) Hymns, testimonies and teaching, witnessing and reaching out to all who pass by. A crowd draws a crowd. And joining with other churches helps us build community.

Flower Festival

The Flower festival is being held on August 10th, 11th, 12th and 13th. If you can't do flowers please can you come and just be in church to either make tea or just chat to people coming in. If you feel you can't do either just come and sit, that would be lovely We are reaching out to our community and visitors and this is another great opportunity not only for people to enjoy the flowers but sharing the love of our Lord Jesus through the many verses. So please come and support all those who have spent a lot of time preparing all of it. Thank you Margaret.

RNLI Lifeboat Service The Lifeboat station Sunday 12th August 6.00pm

Clive will lead this annual service of thanksgiving and celebration of our Lifeboat station and crew and all who work with them. He will assisted by South Molton Town Band after their performance in the bandstand from 2-4pm.

As the harbour church, our support for our RNLI team is very much part of our 'growing community' theme so it would be great to see members.

An Afternoon at the Opera

Sunday 19th August 2.00-3.30pm in the car park.

Those of us who steward the car park have met a couple who regularly use it and visit Pip and Jim's.

She's is an opera singer and would love to do a concert to raise funds for Belle's Place and the Church.

Please join us for an afternoon of opera in the car park! And bring your friends.

Cream teas, provided by Kim at The Naked Cake, will be included in the cost of the £5 entry ticket.

(We move on to the preacher's Rock service at 4.00pm!)

Contact Jean Thomas for more details.

Sea Ilfracombe Maritime Festival Weekend 1-2nd September.

We are supporting this community event by holding a selection of activities in the Pip and Jim's throughout the weekend. These will include,

- A display of pictures of the harbour over the years (If you have any pictures you could contribute for the weekend please let me know)
- An attempt to complete a large jigsaw of Ilfracombe over the weekend
- Knitting or crocheting blue blanket to send to a maritime charity
- Children's games and craft activities
- Giving out gift bags to children in our community

We encourage and welcome any offers of help or support. Or just please turn up and bring friends and neighbours if you can. We are "Growing Community"!

We will celebrate their work and pray a blessing on their activities, and build a display representing their identities.
